

Wallaceburg Christian School Society - Board Policy Manual

Section: Community Relations
Subject: 1400-Website Policy

Subsection: Website
Effective: September 2008

Website Policy

1. Our website is part of the 'public' domain and therefore is fully accessible to anyone/everyone surfing the World Wide Web.
2. A letter will be sent home every September requesting parents to give permission to have their child's photo used in website publications and other promotional needs.
3. When posting a photo of a child, no name will be attached to the image.
4. Any image to be placed on the website needs approval of the principal.
5. The principal will determine what is posted on the website.
6. A Technology committee will be established to review the website once a year and ensure that the site is meeting the needs of our parents and is also appealing to prospective parents.

The Board of WCS has final say in any matter pertaining to the usage and development of the website
