Purpose and Vision Statements

Purpose:

WCS exists to provide **Quality, Biblically-based Christian Education**. We continue to do this by providing skilled and caring educators, partnering with church and parents, in the development of the whole child: body, mind, and spirit.

Vision:

“Vision Worth Investing In”

Is all vision worth buying into? Our school has a plan for today and for the future! Our school is committed to intentional, goal-oriented vision which is affordable. With strong, deep roots and a rich heritage born over 45 years ago, we see the future of our school as very bright indeed! Now that is a vision worth investing in!

“Education Worth Learning”

Is all education worth pursuing? Our school provides caring, skilled and qualified educators, who are committed to teaching your child in an environment totally devoted to biblical principles. It's academic excellence ...including God! Now that is an education worth learning!

“Relationship Worth Embracing”

Are all relationships worthwhile? Our school provides parents with unique opportunities for parental involvement and ownership in the process of your child's education. We provide a safe and caring environment with opportunities to serve others and the wider community. This leads to the formation of life-long, eternal friendships. Now that relationship is worth embracing!

“Truth Worth Following”

Is there truth worth living? Our school provides Christ-centered virtues, morals and principles. We are devoted to helping students make the most of their God-given gifts and abilities. We are committed to networking with parents and various church denominations to mentor children as they discover God's purpose for their lives. Now that is truth worth following!
