Class Size Guidelines

Student numbers per classroom:

SK	15	20	20-22
Primary (1-3)	20	24	24-26
Junior (4-6)	20	26	26-28
Intermediate (7-8)	22	28	28-30
Double Grades

Grade 1 & 2	20	24	24-26
Grade 3 & 4	20	26	24-26
Grade 5 & 6	20	26	26-28
Grade 7 & 8	22	28	28-30

The above numbers are ones which serve as policy for regular classroom situations. Exceptions may be made to the policies. For example, students may be added beyond the maximum number as classroom needs allow. Also, other circumstances may dictate that an educational assistant is necessary before the range for consideration is reached. The intent is that the individual and classroom educational needs are met well.
