

Wallaceburg Christian School Society - Board Policy Manual

Section: Student Subsection: Assessment/Reporting
Subject: 603-Student Assessment/Reporting Effective: February 2010

Assessment and Reporting

1. Report Cards

Report cards are distributed three times per year (November, March, June). Teachers must make the principal and the parents aware of possible repetition of a grade no later than the time of the March report card. Marks obtained from tests, daily work, projects, presentations, etc. should together determine the report card grade.

2. Report Card Term Marks

Each term the teachers will assign a mark for the learning that has taken place. Each term mark reflects the learning that has happened during the identified term.
