School Closure and Fog Delay Policy

Safety is a primary concern when deciding whether to run the buses or not due to unsettled (icy, snowy, foggy) weather. If the buses are canceled the school will remain open unless in severe weather.

After the decision is made to cancel the buses, the principal in conjunction with the bus drivers will decide on one of the following plans of action the school will open at it's regular time

1. the school will open two hours later
2. the weather is severe enough that it will be closed for the day

This decision will be announced on the local radio stations: CKSY, CHOK, CFCO and will be passed down the phone chain. This chain of events will begin as soon as possible and not later than 7:15 a.m.
