

Wallaceburg Christian School Society - Board Policy Manual

Section: Teachers
Subject: 709-Gas Mileage

Subsection: Gas Mileage
Effective: May 2004

Gas Mileage for Professional Development

In fairness to the staff who travel to Professional Development programs and to get a clear indication of the true cost per student the Board will pay \$0.25/km for travel to and from these events. It is assumed that the staff will car pool as much as necessary and will only submit mileage expenses incurred on school business. Mileage to and from their daily work is not included.

Requested by	Approved by	Purpose	km driven x \$0.25	Total amount	Paid
