Dear Students and Parents,

The last week of school has arrived! Teaching Grade One and Two at Wallaceburg Christian School, during the last three years, has been such a blessing. I am thankful that the Lord granted me this opportunity, and I appreciate having been able to teach these students and be a part of your lives. Parents, thank you for the prayers and support; your words of encouragement and kindness have been very appreciated. Students, I will miss you very much and it has been a joy to teach you. May you have a great summer vacation and a blessed next school year!

Oliver

Sincerely,  
Mrs. VanderEnde
