2. Be sure you are practicing for Track and Field
3. Grade 8, please bring in a picture aged 2-4 of yourself

### ***Student's Perspective: Amy Nap***

Right now, our class is working on stop motion for technology. Stop motion is, when you take lots of different pictures and put them together in order to make a video. I have learned that it is a difficult process and it takes lot of patients to complete a good project. We get to use our creative minds to make cool and interesting videos.

### ***Our Subjects***

**Bible** – The Church Finds its Way

**History** – The Renaissance

**Math** – Forms of Graphs (Circle, Bar, Line) (gr. 7 and 8)
