

GRADE 3 & 4

September kicked off the new school year with lots of excitement, new faces, and new experiences. Our school theme this year is “Soaring on Eagles Wings”. The text for this theme is taken from Isaiah 40:31 which was our very first memory work.

As we soared through September, we learned about God’s wonderful creation in our studies of Genesis. We had the wonderful opportunity to learn more about our world as we took a field trip to the Dow Wetlands.

In our Socials unit we are learning to be a faithful and caring community. We are learning about our ancestors and God’s perfect plan for community. Students have enjoyed several opportunities to take part in their school community through assemblies, a Bus Safety presentation, Partner Reading, and the Penny Drive. We are looking forward to soaring through the rest of the year as a caring and sharing classroom of believers.

Students have been thoroughly enjoying their writing class with Mrs. Medenblik. Here is a sampling of one of the topics they have written about:

If I Were in Charge of the World

– by Tonilyn Luth

If I were in charge of the world,
I’d cancel sin and the devil,
and brussel sprouts, alligators, cadets,
and up side down rides.

If I were in charge of the world,
There would be no bed times,
No door knobs, no hair cuts, no bosses
And no dentists.

If I were in charge of the world,
A chocolate sundae with whip cream
And nuts would be a vegetable,
Everything that’s not healthy would be
healthy,
And a person who gets bad marks and is
only in grade 3 would still be allowed
To be in charge of the world.
