Principal's Message

Greetings WCS,

Here I am once again on a beautiful sunny Monday afternoon, thinking about what to write for the weekly principal report. One can't help but have his mind drift to ponder the awesome wonder of God when the wind is blowing, the blue skies can be seen, and the warmth of the sun is upon his face; maybe I should take my laptop outside and enjoy this view while I write. However, that might be a little too distracting for any students working inside who see me from the window; not to mention the other teachers, who might be a little jealous.

Nevertheless, I should spend some time talking about upcoming events, and what is happening at the school where your children spend over 1000 hours per year. Here is just a little peek into the lives of each grade level as I walk through the halls this afternoon. I notice that most of Grade 7/8 and Grade 3/4 were spread around the halls or in their classroom reading their A.R. books. In the Grade 5/6 classroom, the students were working in small groups on different math activities, and in the Grade 1/2 classroom the students were busy working on a word search that tied in with their Canadian Studies unit. It was very neat to see how different each activity was and yet how much learning was taking place. Praise God for the wonderful, talented teachers we have here at WCS.

I would like to remind our school community and society members that next week Wednesday, April 23rd at 7:30 p.m. we will be having our Spring Society Meeting. During this meeting, 3 new members will be voted upon for our board. This year, Charley Feddes (Chair), John Lubbers (Contract Partnership Board Rep.), and Greg Hill (Education Rep.) will be retiring. At the moment, 4 people have allowed their names to stand. They are Sue Anderson, Don Martin, Matt Riedl, and Wayne Vandendool. Please make every effort to attend this meeting. As for the Principal's report, I have a short video I would like to show everyone.

Since spring is here I have noticed (and perhaps if you are a golf fan you have as well), Country View has opened its course for the season. Seeing this signals the change of the season beyond the flowers and birds. Speaking of golf, I have a lot of information here at school about how to organise and develop a Golf Fundraising Tournament.

Since our school is always looking for ways to help the budget, why not start up another fundraising event? I am thinking early August or mid September would be a great time of the year to have a golf tournament. Could it be that there are some parents out there that feel the same way and would be interested in running such an event? If so, please contact me and I will

give you a package that will help run the event. If we could get a team of 3-4 people together and get excited about this task, it really could be a lot of fun and in the process raise some more money for the school, as well as create a time when many of our community can gather and fellowship.

Grandparents and Grandfriends Day!

FRIDAY, MAY 9

It's that time of year when we set a day aside to make our grandparents and grandfriends feel special. There is an Open House at the school from 10:30 to 11:30 a.m. with coffee, baked goods and visits with the children.

Following the Open House, there will be a luncheon held at Bethel Pentecostal Tabernacle. After the lunch, the students will put on a program from 1:00-2:30p.m. This is our way of saying thank you for supporting us and our school!

Invitations will be sent home shortly.

** The Fundraising Committee will need parents help to make this day a success. There is a sheet at the back of the newslines where you can volunteer to make food, help us prepare and help with cleaning up. Please let us know as soon as possible where you would be able to help. Thank you!
