Newsline #36

Principal's Message

Greetings WCS,

What a perfectly, splendid, beautiful day we had yesterday. Though some may have thought it was a little on the warm side, it was great to have clear skies and no worry about rain. As you will read later on in this Newsline, our students did very well and many came home with personal ribbons. It also appears that our school placed better in the standings than in past years. Way to go, everyone; the staff of WCS are very proud of your efforts and determination to do your very best even when a ribbon is not given.

Thanks to Mrs. Nauta and Mrs. Vyn for organising our Track and Field session this year. Your hard work has allowed us to have an enjoyable time with many fond memories of the different events. I would also like to thank all our other staff who worked with your students during your gym periods, extra relay practice, or high jump practice. I know the students are thankful for the extra time you gave them.

In other news, as you can see by the calendar we are now into June, the home stretch of the year. With less than three weeks left in this school year, take some time to talk a little more with your child(ren). Try to find out what kinds of end of the year projects and tests are coming up. Help them to balance their time between the school work and free time. This way, stress will be reduced for both child and parent.

Also, as you may have been reading in our last few Newslines, our annual BBQ is on Friday, beginning at 5:00 p.m. It will be a great time to fellowship with our school community and even a chance to meet some of the new parents who will be joining us next year. In addition, we will be celebrating the retirement of Miss Ruth Loxton. Miss Loxton wants to keep the event simple, but it will be hard to when she has been with us for 23 years.

The major events still being worked out are: Grade 5-8 Fair Glen Trip, Class Final Trips, Report Cards, and Graduation. Please keep your teachers in prayer as they will often be working 60+ hours a week to finish off their grading and planning for end of the year events. May you all have a wonderful week during this busy time of the year. God is strong, so let us find our strength in Him and not ourselves.

Shalom,
Mr. Andy J. Alblas
