Newsline #7

Principal's Message

Greetings WCS,

Almost 6 months ago we had a little vote to decide if we should change our school colours and our name. As a result, our new colour became blue and our new name became the Wallaceburg Eagles.

Up until now, we have been able to include our school name in our theme this year, and use our new colour on our website. That has all changed now!

Thanks to the efforts by Mrs. Erica Lubbers and Mrs. Arlene Feddes, we now have new school sports shirts for our teams to wear at the different sporting events. I must say these shirts look great and I know our teams will be wearing them with pride beginning next week Tuesday at the Cross

Country Meet, and then again on November 19th at the Volleyball tournament.

In other news. . .

I have heard that many people once again showed up at the **WCS Work Day** to help with the repairs needed to our school roof. We are always very grateful to people who freely give of their spare time and offer the school a little extra. This past weekend it appears that the section above the Grade 7 and 8 classroom was replaced. Now the next and final section to be done is a part over the Kindergarten classroom; however, don't quote me. If you are looking to offer more, please contact Charley Feddes who heads up the Property Committee.

May you all have a blessed week as you continue to pray that God's will be done in our productive, safe, energetic and loving school community.

Shalom,
Mr. Andy J. Alblas
