### **PRINCIPAL'S MESSAGE**

Greetings WCS,

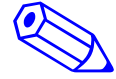

Well, it has been a hot one here at WCS. We are trying to remain cool by keeping the lights off and taking things a little slower. However, that is difficult for we are in the final stretch with only 3 ½ weeks left of school. Final tests and projects are coming up, including end of the year preparations such as Graduation. I am thankful that the weather has been great and the students have been in good spirits.

This month also brings about the final section of our year-long theme, as we focus on Music and how God is calling us to transform our lives in this area. Over the past ten months, we have focussed on many area of our lives; the journey

has only begun. It is the prayer of the teachers that the seeds we have been planting throughout this year will spring to life in the years to come. Faith tells us that God will make all things perfect according to His will, so praise God!

I would also like to thank Mr. Taylor for volunteering many hours of service. He coached our Grades 6 to 8 students as they prepared for a baseball tournament. We had a lot of fun, and it was a wonderful experience for each of them. Please enjoy some pictures of the event below.

Shalom,  
Mr. Andy J. Alblas

### **Brief Society Meeting**

There will be a brief Society Meeting at the school before the BBQ on Friday, June 11 at or about 5 p.m. The purpose for the meeting will be to confirm persons who have come forward indicating a willingness to serve on the Board of Directors. In the event of a postponement of the picnic due to weather, the Society Meeting will likewise be postponed. If you have questions, please contact Dale Maris. 519-692-3544 or [sparkyto@netrover.com](mailto:sparkyto@netrover.com)

### **WCS Annual BBQ! June 11th**

Our annual school BBQ is approaching quickly! Thank you to those who have offered to help...we still need more volunteers though. Have a look at the schedule at the back of the Newsline, fill in your name and hand the form into the office. We really appreciate everyone who helps make this day run so well!

## **Summer Cleaning:**

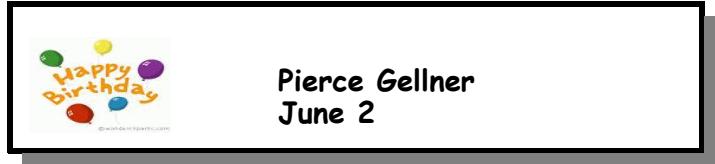

It's that time of year when we have to start planning for our summer cleaning of the school. There are several options available for each family to choose from as to how they want to clean this year. The options are as follows:

- Do your own summer cleaning (each family is required to do 4 hours) - must be completed by June 30.
- Pay someone to clean for your family (\$50 for this year) - cheque/cash must be sent to the office by June 14.
- Substitute your 4 hours of cleaning to move furniture in and out of classrooms for floor waxing (dates will be set by property committee - sometime in early and late July) - need 2-3 families for this.

Please let Sue know ASAP what your intentions are for the summer cleaning.

Again, if you plan to do your own cleaning, you must do this between Saturday, June 26 and Wednesday, June 30 (not on Sunday, June 27). The cleaners will be starting to clean on July 1 and be done by about July 6. We need to have the school cleaned and the floors waxed by the end of July in order to accommodate the painting of the hallways, which will be occurring on Saturday, August 7. Also, the teachers start coming into their classrooms in August. Your cooperation is greatly appreciated. If you have any questions, please give me a call!
